Document ID: EN-MAN-02 **Department:** Human Resources **Version:** 1.6 **Effective Date:** 1 February 2026

1. Welcome

Welcome to Meridian Holdings Group. This handbook is designed to guide you through your first ninety days with the Company and to answer common questions about your first weeks in the role.

2. Before Your First Day

2.1 You should receive a Welcome Email from HR approximately one week before your start date, containing your employee ID number, start-of-day instructions, and a link to complete pre-employment documentation through the HR Self-Service Portal.

2.2 Please complete your bank details, emergency contact information, and tax declaration forms through the portal before your first day, where possible, to avoid delays to your first salary payment.

3. Your First Day

3.1 New employees should report to Reception at 9:00 AM on their first day, where a member of the HR team will meet them and issue a building access card and Company laptop.

3.2 Your first day will typically include: an HR orientation session covering benefits and Company policies, an IT setup session to configure your email and system access, and an introduction to your line manager and immediate team.

4. Your First Week

4.1 You will be assigned a "buddy" from within your department — an experienced colleague who can answer day-to-day questions and help you settle into the team.

4.2 Mandatory training in your first week includes: Data Protection and Information Security (online, approximately 45 minutes), Health and Safety Induction (online or in-person depending on role), and Code of Conduct training (online, approximately 30 minutes).

5. Your First Ninety Days

5.1 Your line manager will schedule a probation review meeting at thirty, sixty, and ninety days to discuss your progress, address any questions, and set objectives for the period ahead.

5.2 The standard probationary period is ninety days, during which either party may terminate employment with one week's notice. Successful completion of probation will be confirmed in writing by HR.

6. Benefits Enrolment

6.1 New employees have thirty days from their start date to enrol in the Company's health insurance and pension schemes through the HR Self-Service Portal. Enrolment after this window is subject to the Company's benefits eligibility rules and may require evidence of insurability.
