Document ID: EN-POL-07 **Department:** Finance **Version:** 3.4 **Effective Date:** 1 April 2026

1. Purpose

This policy sets out the rules for claiming reimbursement of business-related expenses incurred by employees of Meridian Holdings Group in the course of their duties.

2. General Principles

2.1 All claimed expenses must be reasonable, necessary, and directly related to Company business. Employees should exercise the same judgement in incurring expenses as they would with their own money.

2.2 Expense claims must be submitted through the Expense Management System within thirty days of the expense being incurred, accompanied by an itemised receipt for any single expense exceeding £25.

3. Travel Expenses

3.1 Employees travelling on Company business should book transport and accommodation through the Company's approved travel provider wherever possible, to benefit from negotiated corporate rates.

3.2 Standard class rail or economy class air travel is the default for domestic and short-haul international travel. Business class air travel requires prior approval from a Head of Department for flights exceeding six hours.

3.3 Mileage for use of a personal vehicle on Company business is reimbursed at the rate set out in Appendix A, currently £0.45 per mile for the first 10,000 miles in a tax year.

4. Meals and Subsistence

4.1 Reasonable meal costs while travelling on Company business are reimbursable up to the daily limits set out in Appendix B, varying by destination.

4.2 Alcohol is not reimbursable except where it forms part of a client entertainment expense approved in advance by a line manager.

5. Client Entertainment

5.1 Client entertainment expenses must be pre-approved where practicable and must comply with the Anti-Bribery and Corruption Policy (EN-POL-05) regarding the value and frequency of hospitality provided to any single client.

6. Approval Limits

6.1 Expense claims up to £500 require line manager approval. Claims exceeding £500 require approval from a Head of Department, and claims exceeding £2,000 require Finance Director approval.

7. Non-Reimbursable Expenses

7.1 The following are not reimbursable under any circumstances: traffic and parking fines, personal entertainment, and expenses lacking a valid receipt where one is required.
